Motor Vehicle Accident Information

Name: _____

Date: _____

Account: _____

If you were involved in an auto accident, we must bill your Personal Injury Protection (PIP) automobile coverage as primary to any medical insurance. Maryland is a “no fault” state; therefore, we cannot bill the MVA insurance of any of the other parties involved. In Maryland, medical insurance cannot and will not be billed until your “PIP” benefit has been exhausted. If you choose not to file a claim against your “PIP” coverage, then you will be responsible for payment of this medical bill.
